

YOUR GREYHOUND FIRST AID KIT

Putting together a greyhound First Aid Kit is essential for all greyhound owners. Accidents and minor health issues can happen at any time, and having the right supplies on hand can make a big difference in providing immediate care before seeking veterinary attention.

A well-stocked kit should include essentials like:

- Cohesive bandage
- Soffban padding
- Adhesive tape
- Melolin (non-adherent dressing)
- Gauze swabs
- Saline
- Sterile lube
- Gloves
- Tick tweezers
- Thermal blanket
- Chux/hand towel
- Emergency vet contact details
- Thermometer
- Betadine
- Scissors
- Handheld pet clippers

Regularly checking and updating your kit ensures you're always ready to handle unexpected situations and keep your greyhound safe and comfortable.

ALWAYS CONSULT YOUR LOCAL VETERINARY IF YOU HAVE ANY CONCERNS ABOUT YOUR GREYHOUND.
